RECEPTION² STATIONS

Reception stations are a statement about your company. Woodtech, with extensive experience in both standard and custom design, can communicate what you want to say. Our skilled engineering department and master carpenters will bring your design to life and ensure a beautiful product. Experience in the usage of different media, such as granite, marble, limestone, glass, metals, as well as a variety of veneer patterns and new technology, make Woodtech the perfect company to help you make a statement.
